Dear Sirs,

Re: Town & Country Planning (Trees) Regulation 1999

I am writing on behalf of the Highgate Conservation Area Advisory Committee with comments on the proposed tree works.

1. 10 Bishops Rd: (CON/2022/0475): Reduction works to one horse chestnut at side and one ginkgo at rear. No objection.
2. 12 Bishopswood Rd: (CON/2022/0450): Repollard one lime at rear and crown lift one horse chestnut at front to 4m from ground. No objection.
3. 8 Cholmeley Pk: (CON/2022/0458): Crown reduce one large silver birch at front by 3m. This is indeed a large and healthy-looking specimen. There would be no objection to some reduction, but 3m might be excessive.
4. 32a Cholmeley Pk: (CON/2022/0456): Crown reduce one cherry tree at front. This is a nice tree, but there would be no objection to some reasonable reduction.
5. 50 Claremont Rd: (CON/2022/0471): Crown reduce one malus at front to previous reduction points. No objection.
6. Fl 1, 1 Cromwell Pl: (CON/2022/0413): Works to a large number of trees in the grounds of this house, which is in a prominent corner position. I was unable to open the attachments to this application so cannot comment in detail. Certainly some reduction works and some felling of saplings would be acceptable to allow space for the best specimens to develop. A Tree Officer should visit to determine the best plan.
7. Highgate Golf Club, Denewood Rd: (CON/2022/0474): Reduce two oak trees overhanging garden of 57 Sheldon Ave. There would be no objection to some reduction to these trees, but attention must be paid to maintaining a good shape to each tree.
8. 8 Grange Rd: (CON/2022/0482): Reduction works to chestnut and horse chestnut at front and to goat willow at rear. No objection.

Yours sincerely,

Jan Brooker
