Submission: Objection

Comments: When the previous planning application for 7 Endymion Rd was granted there were 8 conditions included

Condition number 7 is below

7. Prior to the first occupation of the residential units hereby approved the car park shall be converted to soft landscape with permeable material.

Reason: In the interest of the visual amenity and provision of site drainage of the locality consistent with Policies D1 and D3 of the London Plan 2021 and Policy SP11 of the Haringey Local Plan 2017 and Policy DM1 of The Development Management DPD 2017.

By granting this new planning application condition number 7 as listed above will be directly undermined. Therefore voiding the original planning application for 7 Endymion road.
