Comments: I am the Cllr responsible for responding to planning issues within this ward, I have visited the above address and my comments are below and are based on my observations and local knowledge during my 20 years as a Cllr for this ward.

As the Design Champion for Haringey, I would ask that this change would not be to the detriment of the design / the attractiveness of this location / area.

Good design at all areas of Haringey is our aim. Supported by the Mayor of London, good design throughout London and at all building use classes.

Please base the decision on this requirement.
