Dear Sirs,

Re: Town & Country Planning (Trees) Regulation 1999

I am writing on behalf of the Highgate Conservation Area Advisory Committee with comments on the proposed tree works.

1. 119 North Hill: (CON/2022/0453 & 0454): Reduction works to one crab apple and one magnolia at the rear, or fell, presumably the same, magnolia. No objection to reduction works, but the photo shows a nice magnolia and no reasons are given for its felling. So, we would object to CON/2022/0454.
2. 121 North Hill: (CON/2022/0447): Reduction works to two lime trees at rear. There would be no objection to some reduction, but care must be taken to maintain a good shape to the trees.
3. Fl 1, 9 Northwood Rd: (CON/2022/0457): Repollard one lime tree at front back to trunk. This is a severe reduction, but it has been done before, as the tree is in a small front garden and very close to a street tree. No objection.
4. 57 Sheldon Ave: (CON/2022/0473): Repollard one large eucalyptus at rear. No objection.
5. 12 Stanhope Gdns: (CON/2022/0460): Repollard two Lombardy poplars and crown reduce one maple all at rear. No objection.
6. 76 Southwood Lane: (CON/2022/0462): Crown reduce and thin one mature London plane at rear. No objection.
7. 4 Stanhope Gdns: (CON/2022/0480): Repollard one weeping willow at rear. No objection.

Yours sincerely,

Jan Brooker
