

Scaling:
This drawing is representative of the building or site and the intended works. Contractors should carry out site surveys to confirm dimensions and details of existing structure required for the setting out of their works prior to making shop drawings or otherwise setting-out the works.

Electronic issue:
C&A accepts no responsibility for omissions from or discrepancies in appearance of the drawings arising from transfer in electronic format. Contractors must refer to the printed issue of this drawing for verification of the Architects intentions and ensure that all information contained for use is current and should not rely on printed scales if the drawing has been issued in PDF format.

NOTES

This drawing was prepared for the purposes indicated below and is to be read as preliminary unless otherwise stated.
