Online meeting was positive. Concerns were raised regarding first floor rear extension. 4th October email was received from Emily 'Thank you for your email. Most of the design changes look acceptable, but I will need to discuss the first floor rear extension with my manager and will come back to you. In previous discussions, he had concerns about extending to the rear if it is uncharacteristic of the area. In some cases, we do support this type of extension but they tend to be smaller i.e. 2 metres rather than 3'.
