Is the proposed operation or use

- ☒ Permanent
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The proposal is to provide music tuition at the property to private music students. It is clearly ancillary and incidental to the residential use which is the lawful use of the property. There is no change of use proposed; the LDC is sought to confirm that private tuition is indeed ancillary and incidental.

Thank you for your email, apologies for the delay in my response.

I agree the best way forward would be to submit a lawful development certificate for proposed use, limiting to 8 hours of lessons a week (between the hours of Monday – Friday 8am – 6pm and on Saturdays 10am – 1pm) with no more than 4 hours on any one day.

The Council can then confirm 8 hours of tuition a week does not amount to a material change of use.

If your client is willing to submit an LDC in line with the above, then please submit within the next 28 days.

I am willing to amend the schedule in line with your suggestion:

8 hours a week teaching, with minor variations depending on time of year (at no point more than 10 hours a week), but an average of 8 hours a week over the year, between the hours of Monday – Friday 8am – 7pm, Saturdays 2pm – 5pm, not at all on Sundays and Bank Holidays.

No more than 4 hours of teaching in any one day.

No more than 2 pupils attending the property at any one time.

Dr Gokcen is required to keep a log of all tuition from home, which can be inspected by the Council should complaints be received of any tuition occurring outside of the scope agreed.

Please formally submit in the next 14 days.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
☒ No

Interest in the Land

Please state the applicant's interest in the land

- ☐ Owner
☒ Lessee
☐ Occupier
☐ Other

If Lessee or Occupier, please give details of the owner and state whether they have been informed in writing of this application
