

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4, Alexandra House, Station Road, N22 7TY

Application number	CON/2022/0414
Application type	Conservation Area Notification
Site Address:	Eton Court 6 Shepherds Hill London N6 5AF
Proposal	TG1 (5 x Cypress/Conifer) - Crown lift to approx. 9 metres

RECOMMENDATION:	Objection	
Application date	03/10/2022	
Tree Inspector	DM	Date: 15 th November 2022

Site

The five Cypress trees TG1, as marked on the aerial plan, are situated in the front communal garden of the property. They are publicly visible.

A site visit was deemed necessary to determine the appropriateness of the proposed works (8/11/2022).

The location is also within the Highgate Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed:

TG1 (5 x Cypress/Conifer) - Crown lift to approx. 9 metres.

Issues

I object to the crown lifting of the conifers to 9m. This would amount to over lifting, harvesting, and aesthetically not pleasing to the eye.

However, it has been agreed with the agent and client to crown lift up to 4m. This is far more an acceptable and reasonable proposal.

Recommendation

Objection

Agreed to crown lift up to 4m
