

Proposed Design to match Boundary Walls on Cornwell Ave.

in keeping with tradition, we propose

- 1) Red Brick
- 2) ~~equal~~ to heights of Boundary Walls of Neighbours to keep uniformity.
68 Cornwell → ~~same~~ height is 1.6 meters
- 3) Reversed Start Lower Brick, decorative diamond protrusion
68 Cornwell → wall height is 1.7 meters.
- 4) Sandstone coping stones + Corbels
- 5) Iron Black gate, atop coping stones, if necessary for safety reasons.

Neighbours
column

Corbels

- Red Brick + Sandstone coping stones (like for like)
- Maintaining pattern along Cornwell Ave
- Keep height the same as Neighbours CT
64 → 68 Cornwell Ave
- Build a sturdy retaining wall to hold back higher ground.

→ Retaining wall for 66 Cornwell Ave.
