

Proposed Design to match Boundary Walls on Ceornwell Ave.
in keeping with tradition, we propose

- 1) Red Brick
- 2) Equal to heights of Boundary Walls of Neighbours to keep uniformity.
64 Ceornwell → wall height is 1.6 meters
68 Ceornwell → wall height is 1.7 meters.
- 3) Reused Start Lower Brick, decorative diamond protrusion
- 4) Sandstone coping stones + Corbels
- 5) Iron Black gate, atop coping stones, if necessary for safety reasons.

66 Ceornwell
Planning application to
repair & rebuild retaining wall
