Description of Proposed Works

Please describe the proposed works

To rebuild a retaining wall, AKA boundary wall, at the front of 66 Cromwell Avenue to support the higher level soil in the front yard of 66 Cromwell Avenue (front Garden) from the lower level soil, or pathway for pedestrian. We propose a red brick in a similar design to those boundary walls along Cromwell Ave.

To build a brick wall, add a sliding black metal car gate and pedestrian entrance door to the boundary wall/back of the property at 66 Cromwell Avenue which runs along Winchester Place, across the street from 4- 6 Winchester Avenue.

Both projects are designed to adhere to the original aesthetics of Cromwell Avenue, as stated in the Haringey Planning And Building Control document for Conservation areas.

Details of the pre-application advice received

Officer Ms Skelli advised me to submit one application for both the front and back boundary walls. She advised me to look at Legislation.co.uk for further rulings of boundary walls, and the Highgate Appraisal and Management Plan for Historic Context. I looked at both.

Regarding the front boundary wall Ms Skelli said a low brick wall to match other historic examples in the neighborhood with hedges or metal gate. We aim to match those retaining walls of our neighbors at 64 and 68 Cromwell Avenue.

Regarding the back boundary wall, again Ms. Skelli advised us to match the walls of those around us. A low brick wall with hedges and black metal gate. We aim to follow this advice.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
