Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

As the approved Lower Ground Floor Plan, Mezzanine & Parking Level Floor Plan, Ground Floor Plan & Section 3 show, the lightwell to the west of the building along the western access road provides a wide multi-storey gap between the walkway and the windows of the offices in lower ground & parking levels hence the applicant is not installing any security shutters.

We request that the wording of condition 17 is varied slightly and the requirement for the shutter strategy is removed.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

Prior to the completion of the development hereby permitted, a signage strategy shall be submitted to and approved in writing by the Local Planning Authority all future proposal for signage shall be in accordance with this strategy.
