Details of the pre-application advice received

Pre-application advice was mainly positive and it was suggested that the application could be supported. There were a few clarifications required around the depth of the L-shape and new ridge height in comparison to neighbours. We have since supplied additional drawings to help clarify the points raised.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
