7. Where works involve demolition to ensure that all elements of the building and adjoining structures are accounted for and that all necessary propping and temporary supports are in place, to not include this drawing as the roofing may be off. Works carried out under a building notice or prior to approval of drawings are of the building's fabric and not the roof.
8. Bricks/blocks without plans being approved by planning & building control departments are fully responsible for the likelihood of condemned works.
9. Any discrepancies, either between written and site dimensions or between this drawing and other consultants' or suppliers drawings, should be brought to the immediate attention of the architect.
