Subject: RE: Planning Consultation - London Borough of Haringey

Hi Valerie,

I've had a look at the details of this application for change of use to the land to the East of Cross Lane, Hornsey, London, N8 7SA. As this is about the commercial activities at the address rather than any fundamental changes to the waste and recycling storage provision, I don't have any further comments to add to what's already been submitted through the planning application process.

I'm happy to provide further feedback/ advice if required once the new business activities are known.

Kind regards

Ann
