

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4, Alexandra House, Station Road, N22 7TY

Application number	CON/2022/0458
Application type	Conservation Area Notification
Site Address:	8, Cholmeley Park, London, N6 5EU
Proposal	T1 Large Silver Birch: reduce crown by 3m.

RECOMMENDATION:	No Objection	
Application date	17/11/2022	
Tree Inspector	DM	Date: 23 rd November 2022

Site

The tree is situated in the front garden of the property. It is publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Highgate Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed:

T1 Large Silver Birch: reduce crown by 3m.

Issues

I hold no issues to the proposed tree works.

An up to 3m crown reduction might seem excessive but when taken from the tip of the branches in the height of this tree, the second crown can be seen.

The tree is also co-dominant and would benefit from an overall reduction.

Recommendation

No Objection
