Site

The Sycamore tree T1, as marked on the sketch plan, is situated in the rear garden of the property. It is not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Muswell Hill Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed:

T1- Sycamore tree-(10m)-crown reduction to approximately 1.5m above previous pruning points. Reduction of up to 3m.

Issues

I hold no objections to the proposed reasonable works. The crown of the tree is smothering the front garden and close to the structure.

Recommendation

No Objection
