No, it's fine - I think we're good to agree it.

FYI.

Have we a requirement? If its cleaned regularly then thats appears reasonable?

Martin,

We are updating the management plan but the below correspondence does not tell us what they would like us to do. Our draft response already notes that the area would be cleaned regularly by the building management company.

Should this be set out as weekly or fortnightly or if and when required? It is not clear from the response below what is sought.

Thanks,

Matt
