Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The existing property is a purpose built dwellinghouse erected circa 1910 when Stanhope Gardens was extended to meet Claremont Road. The home has remained in residential use without substantial changes since this time. As such the current use is considered to be lawful, and the property benefits from householder permitted development rights as limited by its location with a conservation area.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

We believe that the proposed outbuilding is permitted development under Class E of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended). Please refer to the attached drawings which demonstrate that the proposal complies with the relevant stipulations of Class E: 1423.01.03.Exg.001 - Site Location Plan, 1423.01.03.Exg.080 - Existing Plan, 1423.01.03.Exg.060 - Existing Elevation, 1423.03.03.Pln01.080 - Proposed Plan, 1423.03.03.Pln01.060 - Proposed Elevation

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

Please note that following changes to Use Classes on 1 September 2020: The list includes the now revoked Use Classes A1-5, B1, and D1-2 that should not be used in most cases. Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. See help for more details on Use Classes.

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The proposed outbuilding is permitted development under Class E of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended). The proposed structure is a single-storey flat-roofed building that will be used as a home office/art studio and as such is a building/enclosure required for a purpose incidental to the enjoyment of the dwellinghouse. The proposed outbuilding is situated to the rear of the dwellinghouse and has a roof height of 2490mm measured from the the highest part of the surface of the ground immediately adjacent to it in accordance with article 1(3) of the aforementioned legislation. The height of the proposed outbuilding relative to the adjacent ground level is best illustrated in the attached drawing 1423.03.03.PIn03.040 - Proposed Section AA.
