Hello Kwaku,

Transport comments are as follows:

- a. The site has excellent public transport accessibility (PTAL=6a) and is located within a CPZ.
- b. The proposals is car free.
- c. The proposal should provide cycle parking for each of the two dwellings. London Plan standard requires storage provision for two bicycles for each 2 bed dwelling. This provision should be secure, sheltered and accessible.
- d. Details of provision for refuse storage should be provided.
