Dear Sir/Madam,

RE: 47 North Road London N6 4BE

Grade II

I enclose an application for listed building consent for repair, replacement, and maintenance of the materials to the roof to the above property.

The owners wish to replace the roofing materials as there is a significant amount of the slates and ridges and roofing materials require replacement to maintain the integrity of the roof.

The application includes a Roofing Report by the Contractors depicting the condition of the roof as well as plans and a Heritage Statement. The contractors have more photographs which can be forwarded once the application is registered if required.

I hope you find the documentation is in order and look forward to your validation.

Yours sincerely

Frixos Kyriacou
