

Officer's Report

Application Number	HGY/2022/3948
Type	Lawful development: Proposed use
Location	47, Sherringham Avenue, Tottenham, London, N17 9RS
Proposal	Enlargement under Class B. Total enlargement no greater than 40 cubic meters in volume. Dormer set back min.200mm from existing eaves. No part of proposed development will exceed height of original roof ridge. Front facing roof windows project no further than 150mm beyond roof plane. Side facing window is not openable and has a cill height min.1700mm above internal floor level. Materials to match existing.
Case Officer	Zara Seelig
Valid Date	02/11/2022
Applicant	Mr Danny West
Agent	Mr Jon Pyle

RECOMMENDATION

Permitted Development

Relevant Planning and Enforcement history

None

Details of Proposal

Enlargement under Class B. Total enlargement no greater than 40 cubic meters in volume. Dormer set back min.200mm from existing eaves. No part of proposed development will exceed height of original roof ridge. Front facing roof windows project no further than 150mm beyond roof plane. Side facing window is not openable and has a cill height min.1700mm above internal floor level. Materials to match existing.

Officer Comment: The plans do not appear to show any windows in the side elevations of the proposed L-shaped dormer.

Relevant Planning Legislation

The application has been made under section 192 of the Town and Country Planning Act 1990 and relevant amendments. This not a planning application but instead the applicant seeks confirmation that the proposed development is lawful. As such, the impact of the proposed development of the neighbour's amenities or the character of the area cannot be taken into consideration for this submission.

Analysis/Assessment of the Application

Class B: The enlargement of a dwellinghouse consisting of an addition or alteration to its roof.

A certificate of lawfulness for a formation of rear dormer can be issued if the proposal meets all the criteria under The Town and Country Planning (Generally Permitted Development) (England) Order 2015 – Part 1, Class B 'The enlargement of a dwellinghouse consisting of an addition or alteration to its roof'.

The current proposal will be assessed against these requirements as follows:

Class B.1. Requirement

a) permission to use the dwellinghouse as a dwellinghouse has not been granted only by virtue of Class M, N, P or Q of Part 3 of this Schedule (changes of use);

Comment: It was not
Complies: Yes

b) The height of the part of the dwellinghouse enlarged, improved or altered would not exceed the height of the highest part of the roof of the existing dwellinghouse.

Comment: The proposed rear dormer does not exceed the highest part of the existing roof
Complies: Yes

c) The enlarged part of the dwellinghouse would not extend beyond the plane of any existing roof slope which forms the principal elevation of the dwellinghouse and fronts a highway.

Comment: The extension does not extend beyond a principle roofslope fronting a highway.
Complies: Yes

d) The cubic content of the resulting roof space would not exceed the cubic content of the original roof space by more than

- i) 40 cubic metres in the case of a terrace house
- ii) 50 cubic metres in any other case;

Comment: Rear dormer volume is calculated at 26.3m³

Complies: Yes, the increase would not exceed the permitted 40m³ due to the application dwelling being a terraced house.

e) it would not consist of or include—

- (i) the construction or provision of a veranda, balcony or raised platform, or
- (ii) the installation, alteration or replacement of a chimney, flue or soil and vent pipe

Comment: It does not include any of those stated
Complies: Yes

f) The dwellinghouse is not on article 2(3) land.

Comment: it is not
Complies: Yes

Development is permitted by Class B subject to the following conditions:

B.2. Conditions

(a) The materials used in any exterior work must be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse.

Comment: The materials are of a similar appearance to those existing.

(b) The enlargement must be constructed so that—

- (ii) other than in the case of a hip-to-gable enlargement or an enlargement which joins

the original roof to the roof of a rear or side extension— (aa) the eaves of the original roof are maintained or reinstated; and
(bb) the edge of the enlargement closest to the eaves of the original roof is, so far as practicable, not less than 0.2 metres from the eaves, measured along the roof slope from the outside edge of the eaves; and
(ii) other than in the case of an enlargement which joins the original roof to the roof of a rear or side extension, no part of the enlargement extends beyond the outside face of any external wall of the original dwellinghouse

Comment: The proposed dormer is set back from the eaves by 0.2m.

Any upper-floor window located in a wall or roof slope forming a side elevation of the dwellinghouse shall be—

- (i) obscure-glazed, and
- (ii) non-opening unless the parts of the window which can be opened are more than 1.7 metres above the floor of the room in which the window is installed.

Comment: There are no proposed windows in the side elevation.

Class C: Any other alteration to the roof of a dwellinghouse

A certificate Lawfulness for a can be issued if the proposal meets all the criteria under The Town and Country Planning (Generally Permitted Development) (England) Order 2015 – Part 1, Class C 'Any other alteration to the roof of a dwellinghouse'.

The current proposal will be assessed against these requirements as follows:

Class C.1. Requirement

- (a) permission to use the dwellinghouse as a dwellinghouse has not been granted only by virtue of Class M, N, P or Q of Part 3 of this Schedule (changes of use);

Comment: It was not

Complies: Yes

- b) The alteration would not protrude more than 150 millimetres beyond the plane of the slope of the original roof when measured from the perpendicular with the external surface of the original roof.

Comment: The proposed rooflights do not protrude more than 150mm.

Complies: Yes

- c) It would not result in the highest part of the alteration being higher than the highest part of the original roof.

Comment: The proposed rooflights do not exceed the highest part of the existing roof

Complies: Yes

- d) It would not consist of or include—

- (i) the installation, alteration or replacement of a chimney, flue or soil and vent pipe, or
- (ii) the installation, alteration or replacement of solar photovoltaics or solar thermal equipment.

Comment: It does not include any of those stated

Complies: Yes

Development is permitted by Class C subject to the following conditions.

C.2. Conditions:

Any window located on a roof slope forming a side elevation of the dwellinghouse shall be—
(i) obscure-glazed, and
(ii) non-opening unless the parts of the window which can be opened are more than 1.7 metres above the floor of the room in which the window is installed;

Comment:

There are no proposed windows in the side elevations.

CIL Applicable

The increase in internal floor area would not exceed 100sqm and therefore the proposal is not liable for the Major's CIL charge.

Summary and Conclusion

The proposed development does constitute permitted development by virtue of Schedule 2, Part 1, Classes B and C of the Town and Country Planning (General Permitted Development) Order 2015 and is considered to be lawful.

Recommendation

Grant Certificate

In pursuance of their powers under the above Acts and Order the London Borough of Haringey as local planning Authority hereby CERTIFY that the above proposal described by the applicant does constitute PERMITTED DEVELOPMENT and is therefore LAWFUL.
