5 DAY NOTICE OF INTENTION TO CARRY OUT WORKS: DISEASED, DEAD, DYING OR DANGEROUS TREES WITHIN A CONSERVATION AREA (London Borough of Haringey)

Date:

12th December 2022

Site:

54 High Street
Highgate
London
N6 5HX

Conservation Area Reference

Highgate Conservation Area - London Borough of Haringey

Prepared by

Marcus Foster

BA (Hons); NDipArb; Tech.Cert (AA); MArborA

Proposed Works

Sycamore:

Fell to ground level

Justification for Works

Trees is dead within a pre-school nursery. Tree is hazardous due to the following:

- (I) Dead
- (II) *Kretzschmaria deusta* (Brittle cinder) fungal fruiting bodies at base which can result in a sudden brittle fracture of the entire tree

Tree requires immediate removal to dispense with duty of care

See photographs and location plan overleaf
