Oak: The pruning proposal is beyond previous points, but he only wants to reduce branches that directly overhang No.5 View Close by up to 3m. The remaining that overhang No.5 he only wants to reduce by approximately 2m.

Ash: The pruning proposal is again beyond previous points and he would like to prune by 3-4m. The elderly gentleman who lives in No.5 is worried about hazard potential as he has already had branches falling into his garden.

The trees are hard to see from 12B View Road but are clearly visible from No.5 View Close.
