Subject: Five Day Notice - 6, Kensington Place, Hornsey, London, N10 3BY

I now also need to put a 5 day notice in on the same site. One of the sycamores (not on this application) in the communal area adjacent to the entrance driveway is nearly dead and needs to be felled urgently. I have attached a picture I took back in early October when the client was discussing a way forward with other residents and then a photo he has sent today where the tree is now dropping large branches over the drive.

Please can you log the 5 day notice and I would be very grateful if we can get the decision notice issued on the other trees.
