

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4, Alexandra House, Station Road, N22 7TY

Application number	HGY/2022/4145
Application type	Conservation Area Notification
Site Address:	36 Barnard Hill Hornsey London N10 2HB
Proposal	T22: Sycamore (16m): Crown reduce by 2m due to overextending branches over garages T23: Elder (7m): Fell due to close proximity to garage and to prevent branches snapping over garages roof G17: Group of self-seeded ash (trunks are up to 150mm in diameter) (9m): Fell due to close proximity to garages and if left to grow unmanaged, there is a future risk of them causing damage to the garages.

RECOMMENDATION:	No Objection	
Application date	16/12/2022	
Tree Inspector	DM	Date: 21 st Decmber 2022

Site

The various trees T22, T23, & G17, as marked on the sketch plan, are situated in the rear grounds of the property. They are not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Fortis Green Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed:

T22: Sycamore (16m): Crown reduce by 2m due to overextending branches over garages

T23: Elder (7m): Fell due to close proximity to garage and to prevent branches snapping over garages roof

G17: Group of self-seeded ash (trunks are up to 150mm in diameter) (9m): Fell due to close proximity to garages and if left to grow unmanaged, there is a future risk of them causing damage to the garages.

Issues

I hold no objections to the reasonable proposed works. The reduction is within good arboricultural practice, and the removals of the lesser vegetation will avoid possible future direct damage issues.

Recommendation

No Objection
