The Plum tree and laurel are in the rear garden. They are not publicly visible.

The trees are within the Fortis Green Conservation Area

Proposal

Tree works proposal:

Prunus domestica (Plum) - Remove lowest limb over lawn, reduce remaining crown by 3m to rebalance

Laurel hedge - Reduce by 50% and trim to leave box form.

Issues

I hold no objection to the proposed reasonable works to rebalance the Plum tree and manage the laurel as a hedge.
