GENERAL NOTE:
This drawing is to be read in conjunction with all other drawings including, but not limited to, mechanical and electrical engineering drawings.
The drawing is not to be scaled. Dimensions are approximate and are not to scale from this drawing. All areas and dimensions are approximate and are not to scale from this drawing.
All dimensions to be confirmed on site any discrepancies are to be notified to the Contract Administrator.
The Contractor shall be responsible for identifying and coordinating all necessary permits to develop and co-ordinate final details for the contract administrator's approval.
All installations are to be in accordance with manufacturers recommendations, any discrepancy is to be notified to the contract administrator immediately.
Curris Ltd. accepts no responsibility for the accuracy of the existing building survey upon which these drawings are based.
Curris Ltd. does not accept any liability for any damage arising from application and/or design of the design.
This drawing is prepared for the sole use of the London Borough of Haringey.
Curris Ltd. accepts no liability for use of this drawing by parties other than those for whom it was prepared or for purposes other than those for which it was prepared.
The Contractor shall be responsible for ensuring that the construction is unsuitable and should not be used for any other purpose.
To complete the Technical Design further design development will be undertaken by Curris Ltd. in consultation with the design team and other consultants, specialist subcontractors, manufacturers and suppliers, compliance with the Employers' requirements and other applicable technical standards, requirements and the production of construction issue information.
This drawing is protected by copyright and may not be copied or reproduced without the written consent of Curris Ltd.
