- Paved surface
- Multi-stem tree
- Mixed ornamental planting
- Evergreen hedge
- Bench
- Flexible seating
- Private terrace
- Communal entrance

Notes

- This drawing has been produced using information from the original outline application, which was available in PDF format only. As such, there may be some discrepancy in the scaling of the information that forms the background to this plan, including the proposed tower buildings and surrounding context.
- All information outside red line boundary shown for contextual purpose only.
- All dimensions in mm, unless otherwise stated.
- Scaling from drawing if printed incorrectly may lead to errors.
- All hatch patterns are indicative only unless stated otherwise.
- Any discrepancies in the design information are to be brought to the attention of re-form landscape architecture, in writing, prior to commencement of construction works.
- Refer to other consultants' drawings and specifications for the following design information:
 - Foundation details
 - Base course and/or sub bases design & specification
 - Waterproofing of any element
 - Levels & Drainage design and infrastructure
 - Lighting and ducting
 - Existing & proposed utilities
- Plant quantities are to suit site areas in accordance with scheduled plant densities.
- Any proposed plant substitution shall be agreed with the landscape architect prior to ordering.
