Waste Comments

Thank you for consulting Thames Water for the discharge of matters relating to PILING. Thames Water confirms the piling condition referenced, can be discharged based on the information submitted.

Water Comments

.

Supplementary Comments

Thames Water have reviewed the information provided and agree to discharge Condition 21. This is based on the understanding that piling/demolition works are carried out in accordance with, Southern Piling - Risk Assessments And Method Statements For Piling Works At Watts Close N15 5DW Ref. P517 Rev A (28/09/22). Please advise Thames Water if these plans change so that we can re-assess the risk to our assets. Please discharge Condition. 21.

Demolition, piling and excavation works all have the potential to adversely impact Thames Water assets. Please bear in mind that Thames Water will hold the developer and any relevant contractor/sub-contractor liable for any losses incurred or damage caused to Thames Water assets arising from construction works or subsequent use of the facility.

Plans of Thames Water apparatus can be obtained through our website at www.thameswater-propertysearches.co.uk. Please contact Developer Services if you wish to discuss further (0800 009 3921 or by email at developer.services@thameswater.co.uk with email subject FAO Asset Protection Team).
