TOWN AND COUNTRY PLANNING ACT 1990 (AS AMENDED)

ARTICLE 16/17 CONSULTATION RESPONSE

Dear

Your Reference Number:

HGY/2022/4242 - Erect street furniture comprising of poles between which is suspended, at a high level, a wire to designate the perimeter of a nominated Eruv (An Eruv is a continuous boundary designated in accordance with Jewish Law) at TEN locations around the Haringey area

Description of Development:

Location:

I refer to your consultation under Article 16/17 of the Development Management Procedure (England) Order 2010. We thank you for the opportunity to provide our comments and these are set out below.

Officers have reviewed the locations in which the Eruv will be located. These are in a concentrated in a residential area of South Tottenham where they will result in the erection of 6m high poles to support a narrow nylon wire which will be largely undetectable in the streetscene. The purpose of the Eruv is understood to be religious in nature and to provide a place within which the strict Sabbath laws of Judaism can be relaxed for the observant.

Officers have reviewed the plans and considered the implications of the development for the LBWF plan area. In view of the minor nature of the proposal, the Council is content for this application to be considered on its merits and determined by LB Haringey in accordance with the Local Plan.

Yours sincerely

Justin Carr
Assistant Director – Development Management and Building Control
London Borough of Waltham Forest
