Erur erections

Dear Sir or Madam

No to Erur erections please.  
Haringey has enough Street  
furniture. Adding 10 Erurs  
would only spoil the locations'  
Characters. They are an eye  
sore.

Haringey is a diverse borough.  
So we say no to divisive  
boundaries on public spaces and  
public highways. These boundaries  
are for the sole purpose of one  
exclusive set of ideas, ideas that  
not all Council tax payers  
believe in.

We who have faiths or no faiths  
want no divisions in the form of  
pote boundaries.

No to Erus please. No to Erur  
divisions. Yours sincerely  
A
