HGY/2022 Erur

Objection to Erur

Dear Sirs / Madam

I object to an Erur being raised in 10 Haringey locations. They will ruin the public space and highway as there is enough street furniture.

Erurs will add to the clutter. Do not segregate or give allowance for one further group, in a population of Haringey residents that is DIVERSE.

We in Haringey have succeeded each day without 10 Erurs for decades. We can continue to do so.

Haringey is for people of all faiths and none faiths. We are DIVERSE.

No segregation or divisive. We all have to pay our Council taxes.
Yours faithfully
