Conditions: (4)

- 1** A. That the display of the advertisement (s) shall be permitted for a period of five years from the date of this decision.
- B. Any advertisements displayed, and any site used for the display of advertisements, shall be maintained in a clean and tidy condition.
- C. Any structure or hoarding erected or used principally for the purpose of displaying advertisements shall be maintained in a safe condition.
- D. Where any advertisement is required under these regulations to be removed, the site shall be left in a condition that does not endanger the public.
- E. No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.
- F. No advertisement shall be sited or displayed so as to-
- (a) endanger persons using any highway, railway, waterway, dock, harbour or aerodrome (civil or military);
- (b) obscure, or hinder the ready interpretation of, any traffic sign, railway signal or aid to navigation by water or air; or
- (c) hinder the operation of any device used for the purpose of security or surveillance or for measuring the speed of any vehicle.

Reason: The conditions are imposed by virtue of the Regulation 2(1) of the Town and Country Planning (Control of Advertisements) (England) Regulations 2007.

- 2** The development hereby permitted shall be carried out in complete accordance with the approved plans and drawings listed in this decision notice, other than where those details are altered pursuant to the conditions of this planning permission.

Reason: For the avoidance of doubt and in the interests of proper planning.

- 3** The maximum steady brightness of the illumination of the advertisement(s) shall not exceed 300 candelas per square metre during hours of darkness in accordance with Institute of Lighting Professionals best practice guidance.

Reason - To accord with Policy DM3: Public Realm and DM23:

Environmental Protection of the Development Management DPD 2017 as an advertisement of greater brightness would be unduly obtrusive and would be detrimental to the amenity of the area.

- 4** The illumination of the advertisement(s) shall not at any time be intermittent.

Reason - To safeguard local visual and residential amenity and to prevent the distraction of road users in the vicinity in accordance with Policy DM3: Public Realm of the Development Management DPD 2017.
