Dear Mr Mead

Application Nos. HGY/2022/3920 - Alexandra Palace, Alexandra Palace Way, Wood Green, London, N22 7AY

Installation of variable message signs, parking tariff information signs, automatic number plate recognition cameras and pay terminals at Alexandra Park & Palace, as part of the introduction of a new parking management system.

Thank you for consulting The Gardens Trust in relation to the above planning applications.

I write as a member of the Planning & Conservation Working Group of the London Historic Parks & Gardens Trust (trading as London Parks and Gardens LPG). LPG is affiliated to The Gardens Trust (TGT, formerly the Garden History Society and the Association of Gardens Trusts), which is a statutory consultee in respect of planning proposals affecting sites included in the Historic England (English Heritage) Register of Parks and Gardens of Special Historic Interest. Inclusion of a site in the Historic England (HE) Register is a material consideration in determining a planning application.

LPG is the gardens trust for Greater London and makes observations on behalf of TGT in respect of registered sites, and may also comment on planning matters affecting other parks, gardens and green open spaces, especially when included in the LPG's Inventory of Historic Spaces (see <https://londongardenstrust.org/conservation/inventory/>) and/or when included in the Greater London Historic Environment Register (GLHER).

LPG has considered the information that you have provided and on the basis of this there are **no comments** on these proposals. This does not in any way signify either our approval or disapproval of the proposals and should new information come to light that may have an impact on the heritage asset the Trust reserves the right to alter its observations.

Yours sincerely,

Hazel Morris
For and on behalf of the Planning & Conservation Working Group
