Site

The Silver Maple tree, as shown in the photographs, is situated in the open grounds of Alexandra Palace. It is publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Alexandra Park Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed:

5 day notice for tree works in a Conservation Area at Alexandra Palace.

A mature, previously reduced silver maple with significant decay in the main stem and fungal fruiting bodies at base. Pictures attached. The tree is located adjacent a main footpath leading to the palace from the train station and frequently populated.

Issues

I hold no objections to the removal of the Silver Maple tree that has advance decay and fruiting bodies around its base.

Recommendation

No Objection
