The proposal seeks to knock down two interior plaster boards inside the flat property to make space an open kitchen-living area. These two walls encloses the kitchen from the living room and by the hallway through a door. No other walls will be put up in the proposal.

Why is it necessary to demolish or extend (as applicable) all or part of the building(s) and or structure(s)?

It is necessary to demolish the two walls enclosing the kitchen from the living room to create a single enclosure open area for both the kitchen and living area.
