

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4, Alexandra House, Station Road, N22 7TY

Application number	CON/2022/0382
Application type	Conservation Area Notification
Site Address:	31 Tower Gardens Road London N17 7PS
Proposal	T1. False Acacia/Robinia tree situated in the rear garden. Safely remove to ground level by sectional dismantling and grind out remaining stump. The crown has moved too far up to consider any major reduction and still leave it in a healthy state. Also is very close to the neighbours property. The client would like to deal with it now before it gets too large and starts causing structural damage.

RECOMMENDATION:	No Objection	
Application date	21/09/2023	
Tree Inspector	DM	Date: 16 th January 2023

Site

The *Robinia* spp. tree T1, as marked on the sketch plan, is situated in the rear garden of the property. It is publicly visible from Wateville Road.

A site visit was deemed necessary to determine the appropriateness of the proposed works (16/01/2023 at approximately 11:30am).

The location is also within the Trower Garden Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed:

T1. False Acacia/Robinia tree situated in the rear garden. Safely remove to ground level by sectional dismantling and grind out remaining stump. The crown has moved too far up to consider any major reduction and still leave it in a healthy state. Also is very close to the neighbours property. The client would like to deal with it now before it gets too large and starts causing structural damage.

Issues

I hold no objections to the proposed removal of the False Acacia tree.

The tree has been topped at the break in the past, allowed to grow on and then crown reduced further up to form a second crown.

The tree is within confined surrounds of the property and the adjacent properties.

There is also a bark wound with dead cambium and wood borers at the base of the trunk and on the compression side.

The owners of the tree are currently having the garden landscape. They intend to re plant with an evergreen such as a Strawberry Tree.

Recommendation

No Objection
