

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4, Alexandra House, Station Road, N22 7TY

Application number	HGY/2022/4366
Application type	Conservation Area Notification
Site Address:	13 Cromwell Place Hornsey London N6 5HR
Proposal	TI - Sycamore Tree - Reduce canopy by cutting back from tips of all branches radially by 3-4 metres leaving the canopy balanced.

RECOMMENDATION:	No Objection	
Application date	08/12/2022	
Tree Inspector	DM	Date: 18 th January 2023

Site

The Sycamore *Acer* spp. tree T1, as marked on the sketch plan, is situated in the rear garden of the property. It is not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Highgate Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed:

T1 - Sycamore Tree - Reduce canopy by cutting back from tips of all branches radially by 3-4 metres leaving the canopy balanced.

Issues

I hold no objections to the proposed works.

A 3-4m crown reduction does sound on the heavy side however, it is evident from the photograph that the past reduction has grown extensive poles and restored its crown.

These regrown poles generally form weak unions and can allow entry for pathogens.

The reduction will benefit the tree and be within good husbandry.

Recommendation

No Objection
