Ashley Road East – Planning Condition E15: Secured By Design Accreditation (Part B)

**Tottenham Hale Centre Development Plot E (Ashley Road East) Planning Condition E15:
Secured By Design Accreditation (Part B)**

This document has been prepared to discharge condition E15 – Secured By Design Accreditation (Part B) of the Tottenham Hale Centre Planning Permission Ref: HGY/2018/2223. Condition 15 (Part B) states that:

“Prior to first occupation of each building or part of a building or use within Plot E, details shall be submitted to, and approved in writing by the Local Planning Authority to demonstrate that such Plot (and building(s) contained therein) has delivered the principles and practices of Secured by Design, and as agreed by the Local Planning Authority in the discharge of Part A.”

In order to obtain discharge of this condition we have compiled this document to demonstrate some of the installed security features on the project. Please note the below are just examples to demonstrate and do not cover all installed elements/security features on the project.
