Dear Sir/Madam (Alex)

I am notifying you of additional works.

Further to discussions with my Arborist, I should also have also notified you that the Fir trees overlapping the end of my garden 16b Granville Road will be cut back.

I still do not have an exact date booked in by the arborist but I am hoping that it will be at some point February 2022 or at least early March 2022.

Regards,

Nicola Hawkins
