

The drawing shows a rectangular structure with a cross-section and elevation views. The cross-section is a rectangle with a hatched pattern. The elevation view shows the structure with a central vertical axis and two horizontal axes. The structure is supported by two vertical pillars. The drawing includes dimension lines and labels: Δ_{200}^{02} at the top left, Δ_{200}^{01} at the top right, Δ_{200}^{03} at the bottom left, and Δ_{200}^{00} at the bottom right.
