SECTION 2

Notes:

DO NOT SCALE THIS DRAWING (with exception granted for Local Planning Authorities for planning submissions.)

All dimensions are shown in millimetres unless stated otherwise. The contractor is to check and verify all building and site dimensions, levels and sewer invert levels at connection points before setting out, fabrication or works starting on site. Any discrepancies to be brought to the attention of the architect. If in doubt, ask.

This drawing is to be read and checked in conjunction with any relevant engineers's and other specialist drawings. Workmanship and materials to comply with the Building Regulations and British Standards code of practice. All materials shall be used in accordance with the manufacturer's instructions and specifications.
