DWG NO: PC03

NOVEMBER 2022

Single Bike Locker by Cycle hoop. Supplied by contractor and maintained permanently thereafter.

Compact and robust, The Single Bike Locker is an excellent way to store your bike if you are short on space. The locker is accessed from the end ensuring the unit width is kept to a minimum, making it perfect for installing down the side of a house or flat.

Fabricated from thick galvanised steel, the locker contains a guide rail, holding the bike upright and acts as a second locking point for increased security. It also comes with a set of hooks for storage of accessories. This locker comes flatpack for home assembly.

Options:
Available in dark green, brown or ivory.
Available right-handed or left-handed.
