Subject: FW: HGY/2022/3508: 61 Hornsey Lane

The case Officer may find it odd that people are commenting about car traffic and pedestrians in a cul-de-sac which may need some explanation: Channing parents, St. Joseph's weddings and funerals, Lauderdale House, Waterlow Park and Village visitors as well as visitors to the Ghanaian High Commission always park at the top of Cromwell Avenue (Highgate Hill end) particularly, including Cromwell Place. Parking pressure is a very real issue.
