

1:1250 site location

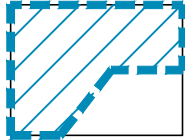

1:1250 developable boundaries

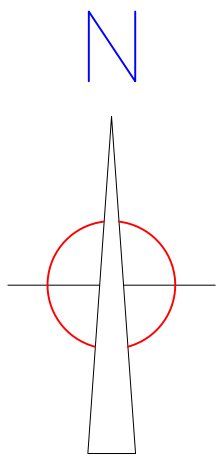

safe guarded Railtrack land min 10yrs

current developable boundary

cross rail 2 zone/new station allocation

1:1250

Notes:

do not scale:
detailed drawings and larger scale drawings take precedence. Fig
dimensions only are to be taken from this drawing.

dimensions:
All building and site dimensions, levels and sewer invert levels at
connection points are to be checked and verified on site by the
contractor before the commencement of works. All dimensions are
checked prior to the placement of orders for materials or the fabri
of work and any discrepancy, omission or error is to be reported t
Architect immediately for verification.

specification:
The Contractor is to comply with current Building Legislation, Briti
Standard Specifications, Building Regulations etc. Whether or not
specifically stated on this drawing. This drawing must be checker
against and read in conjunction with any structural or other relevan
specialist and design documentation provided.
