1. The application site is a two-storey mid-terraced property located on the northern side of Beresford Road. The site is not in the vicinity of a listed building nor within a conservation area. The properties on this street are mostly terraced dwelling houses of similar style.
2. Enlargement of door and window opening to install bi-fold doors – Planning permission is usually not required for the insertion of new windows and doors that are of a similar appearance to those used in the construction of the original house. However, in this case the proposed bi-fold doors are not considered to be of similar appearance to the existing windows and doors. As such, planning permission would be required.
3. The proposed bi-fold doors are considered acceptable because they would be installed at the rear of the property and not impact the character and appearance of the street scene and locality. Given the size of the enlarged opening and the design of the proposed bi-fold doors, it is a subordinate addition to the rear elevation of the application property and would be consistent with the hierarchy of windows. It is also noted that similar bi-fold door has been installed at neighbouring property and the new doors would not be out of keeping with the surrounding.
4. Replacement of single glazed windows with double glazing – Planning permission is usually required for the replacement of single glazed windows with double glazed. It is noted that the frames of double-glazed windows would be thicker than the existing single-glazed ones and their appearance would not be identical. Whilst no drawings of the proposed double-glazed windows have been submitted, they would be acceptable if they are of similar colour, material, and design.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
