Proposal	Oak tree at the front of 1 St Martin's Terrace, within our land. The application is for a crown reduction, with a combination of thinning and length reduction of approximately 30% or 1.5 metres in length. Similar work has been carried out before and we have been recommended that this should happen on a three yearly cycle. The reason for the proposed work is for the maintenance and health of the tree. We have taken advice from Fiona Critchley of Arborecultural Solutions LLP regarding the care of the tree. The work will be carried out to BS 3998: Recommendations for Tree Work.
