Site

The Holm Oak T1, and Apple T2 trees, as marked on the map, are situated in the rear garden of the property. They are not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Muswell Hill Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed:

T1: Holm oak: Crown reduce by 2.5m to previous points to keep tree at a size suitable for its location and as part of regular maintenance

T2: Apple: Crown reduce by 2.5m to previous points to keep tree at a size suitable for its location and as part of regular maintenance.

Issues

I hold no objections to the proposed reasonable works.

The specification is within good arboricultural practice and husbandry.

Both trees have been reduced before.

Recommendation

No Objection
