Reason for Lawful Development Certificate

Please indicate why you are applying for a lawful development certificate

- ☒ An existing use
- ☐ Existing building works
- ☐ An existing use, building work or activity in breach of a condition

Being a use, building works or activity which is still going on at the date of this application.

If Yes, to either 'an existing use' or 'an existing use in breach of a condition', please select the relevant Use Class.

C3 - Dwellinghouses

Please note that following changes to Use Classes on 1 September 2020: The list includes the now revoked Use Classes A1-5, B1, and D1-2 that should not be used in most cases. Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. [View more details on Use Classes.](#)

Description of Existing Use, Building Works or Activity

Please fully describe each existing use, building works or activity for which you want the lawful development certificate. Where appropriate, show to which part of the land each use, building works or activity relates

To provide music lessons within the outbuilding to private music students. It is clearly ancillary and incidental to the residential use which is the lawful use of the property. There is no change of use proposed; the LDC is sought to confirm that private tuition is indeed ancillary and incidental.

Grounds for application for a Lawful Development Certificate

Under what grounds is the certificate being sought

- ☐ The use began more than 10 years before the date of this application
- ☐ The use, building works or activity in breach of condition began more than 10 years before the date of this application
- ☐ The use began within the last 10 years, as a result of a change of use not requiring planning permission, and there has not been a change of use requiring planning permission in the last 10 years
- ☐ The building works (for instance, building or engineering works) were substantially completed more than four years before the date of this application.
- ☐ The use as a single dwelling house began more than four years before the date of this application
- ☒ Other - please specify (this might include claims that the change of use or building work was not development, or that it benefited from planning permission granted under the Act or by the General Permitted Development Order).

If the certificate is sought on 'Other' grounds please give details

Refer to Mark Chan for details.

Is the certificate being sought for a use, operation, or activity in breach of a condition or limitation?

- ☐ Yes
- ☒ No

Please state why a Lawful Development Certificate should be granted

We seek confirmation from the Council that the provision of music lessons at the approved outbuilding ref: HGY/2022/0706 would be ancillary or “for purposes incidental to the residential use of the residential dwelling Garden Flat 1 Wolseley Road” as noted in the original valid permission.

The ancillary music lessons would conform to the same operation and hours limits as set out in LDC ref: HGY/2022/3284.

The use of the valid outbuilding planning permission for music lessons will be ancillary to the sites main use as Use Class C3 (ie: no change of use will occur) as the applicant will follow the below pre-agreed and consented in application HGY/2022/3284 guidelines:

- 8 hours a week teaching, with minor variations depending on time of year (at no point more than 10 hours a week), but an average of 8 hours a week over the year, between the hours of Monday – Friday 8am – 7pm, Saturdays 2pm – 5pm, not at all on Sundays and Bank Holidays.
- No more than 4 hours of teaching in any one day.
- No more than 2 pupils attending the property at any one time.

The applicant intends to keep a log of all music tuition from home, which can be inspected by the Council should complaints be received of any music tuition occurring outside of the scope agreed, and which shall be compliant with the General Data Protection Regulations.

On the basis of the above we believe this LDC should be granted.
